Prior to the meeting, John sent an e-mail looking for country input to the future work of the group. We will share that feedback and gather more input this afternoon.

Please keep those questions in mind as we move through this week’s agenda and keep adding to the wish list.

Later in the week we will seek your input on priorities for the list of future agenda topics.

Friday morning, the preliminary agenda for next year’s meeting will be announced and work for next year will be assigned. Start thinking about what your country might be able to contribute next year.
