Foreign Direct Investment

CSO BOP and Annual Business Surveys

International trade (total) to GDP ratio (%), 2007

International Trade in Services

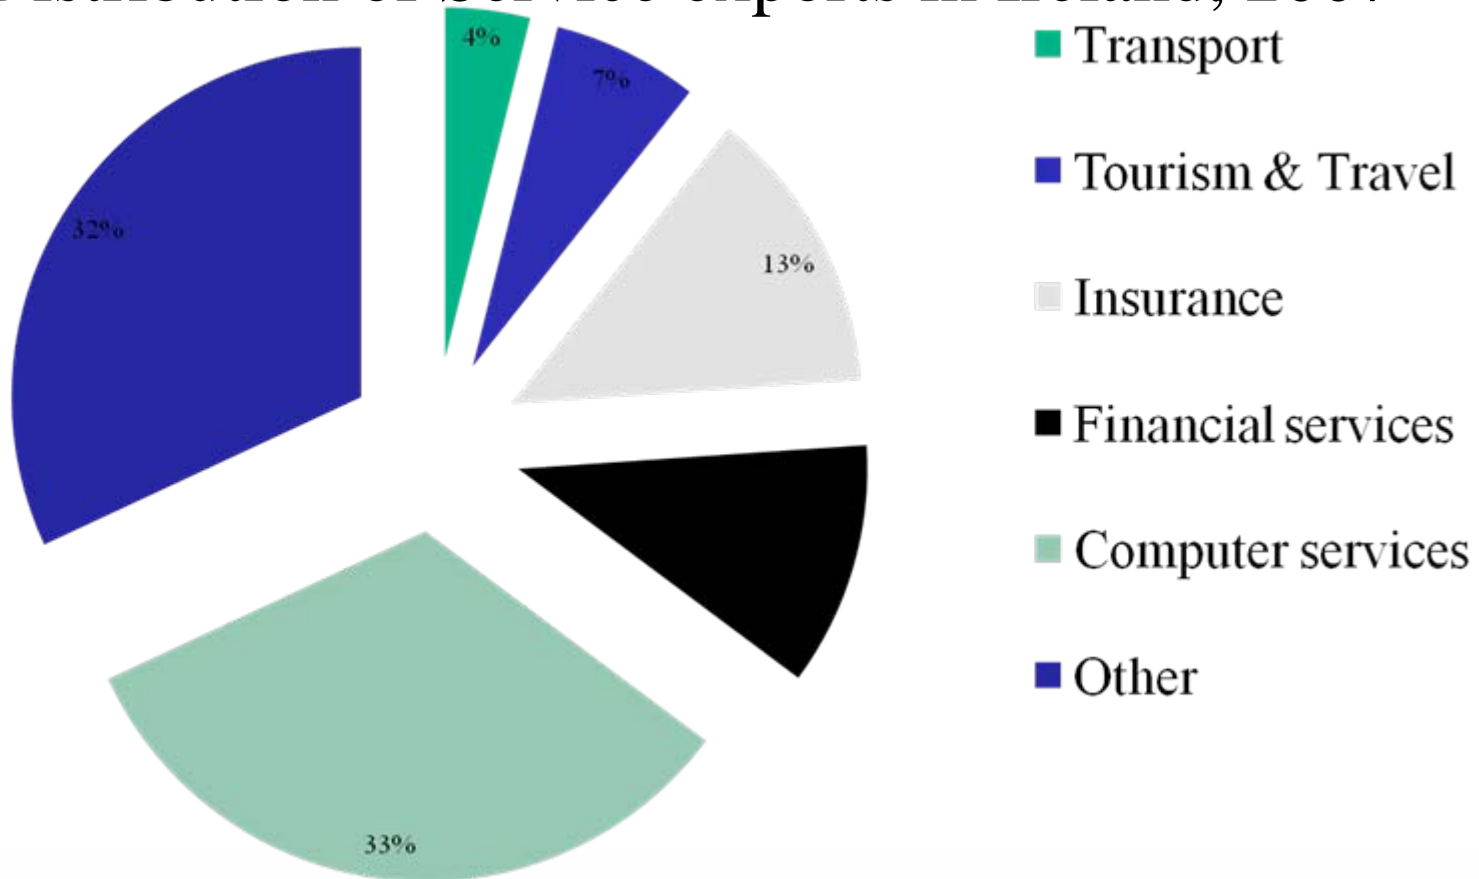

World's Leading Exporting Countries of Commercial Services, 2007

Country	Value Billion \$	Share %
United States	454	13.9
United Kingdom	263	8.1
Germany	197	6.1
Japan	136	4.2
France	130	4
Spain	127	3.9
China	127	3.9
Italy	109	3.3
Netherlands	91	2.8
Ireland	87	2.7

International Trade in Services

Distribution of Service exports in Ireland, 2007

International Trade in Services

World's Leading Exporting Countries of Computer and Information Services, 2006

Country	Value \$bn
European Union (27)	70,085
<i>of which Ireland</i>	22,977
India	21,461
United States	10,096
Israel	5,289
Canada	4,034
China	2,958
Norway	1,376
Australia	1,060

International Trade in Services

Destination of IT Service exports, 2007

Foreign Direct Investment

Balance of Payments

International investment positions, 31/12/2007

Item	Ireland	UK	EU27
	€m	€m	€m
Direct Investment Abroad			
Equity capital and reinvested earnings	86,620	1,235,570	6,816,974
Direct Investment in Ireland			
Equity capital and reinvested earnings	179,745	697,582	5,851,059
<i>of which in IT Services</i>	13,907	n/a	n/a

Source : Eurostat

Foreign Direct Investment

Annual Business Surveys

Analysis by nationality of ownership

	Unit	Irish	Foreign	Total
IT Services (20+ employees only)				
Number of enterprises	No.	115	99	214
Persons engaged	No.	6,923	15,994	22,917
Turnover	€m	1,393	12,211	13,604
Gross value added	€m	462	2,810	3,272

International Sourcing

- Increase in recent times
 - Liberalisation in services
 - Technological advances
- Need for data
- Ad hoc survey
- Enterprises with 100 or more employees

International Sourcing survey

Table 5 Definition of insourcing and outsourcing

CONTROL	LOCATION	
External production outside the enterprise or enterprise group	Domestic Sourcing (Outsourcing)	International Sourcing (Outsourcing)
	<i>Production outside the enterprise or group by non-affiliated enterprises but within the Ireland.</i>	<i>Production outside the enterprise or group and Ireland by non-affiliated enterprises. This involves foreign subcontracting.</i>
Internal production within the enterprise group	Domestic Sourcing (Insourcing)	International Sourcing (Insourcing)
	<i>Production within the enterprise group to which the enterprise belongs and within Ireland.</i>	<i>Production within the group to which the enterprise belongs but abroad (by affiliated enterprises).</i>

International Sourcing survey

**Level of international sourcing 2001-2006 within the EU.
Percentage of Enterprises Engaged in International Sourcing.**

Figure 6 International sourcing of Irish business functions 2001 - 2006.

Figure 7 International sourcing of Irish IT Services business functions 2001-2006.

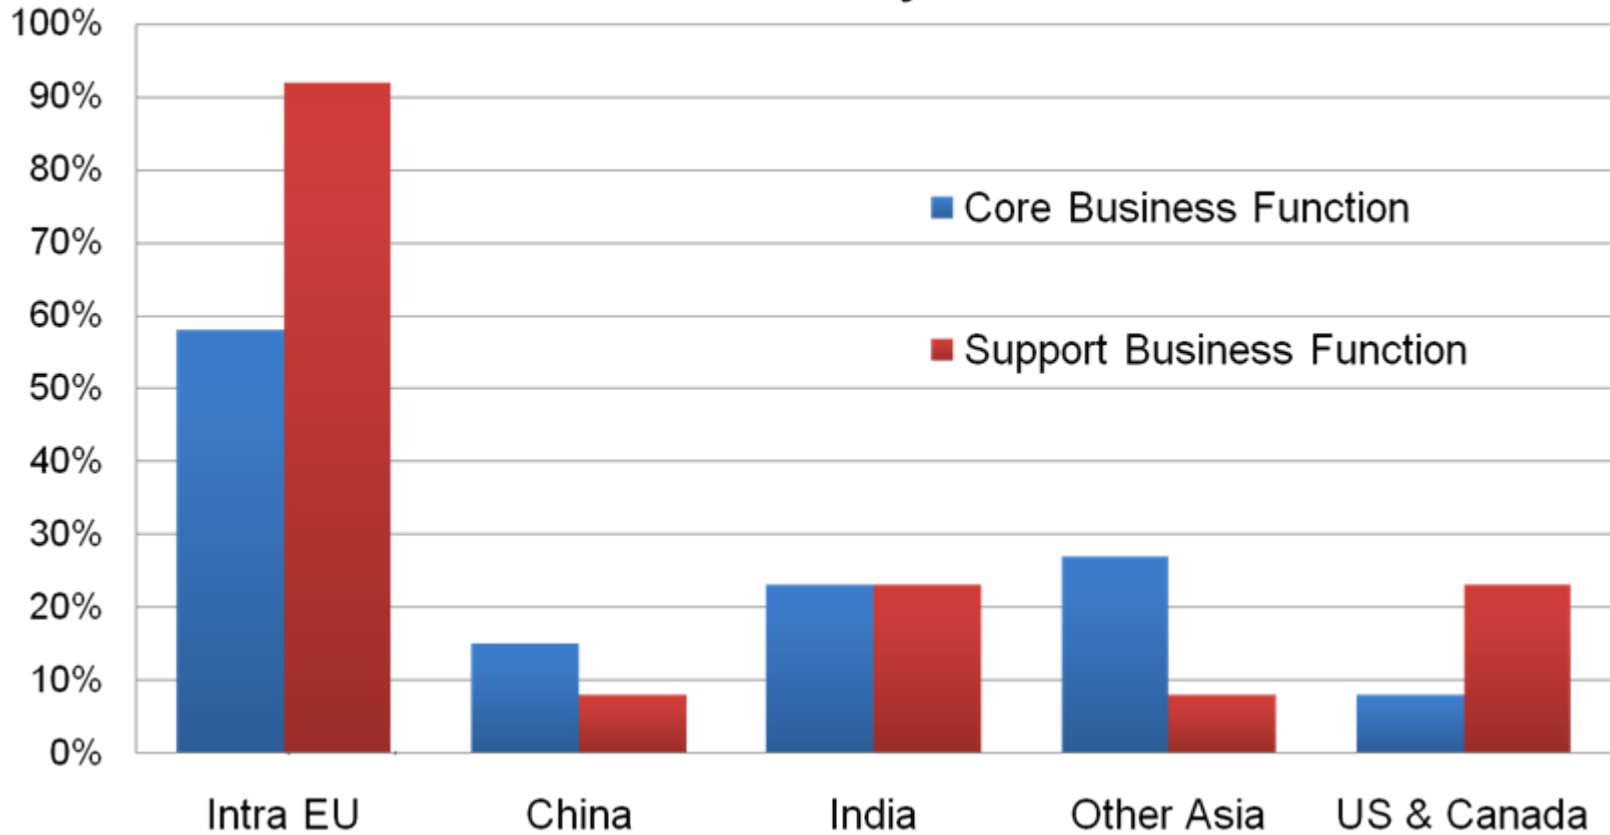

Irish enterprises having sourced internationally 2001-2006 broken down by group structure

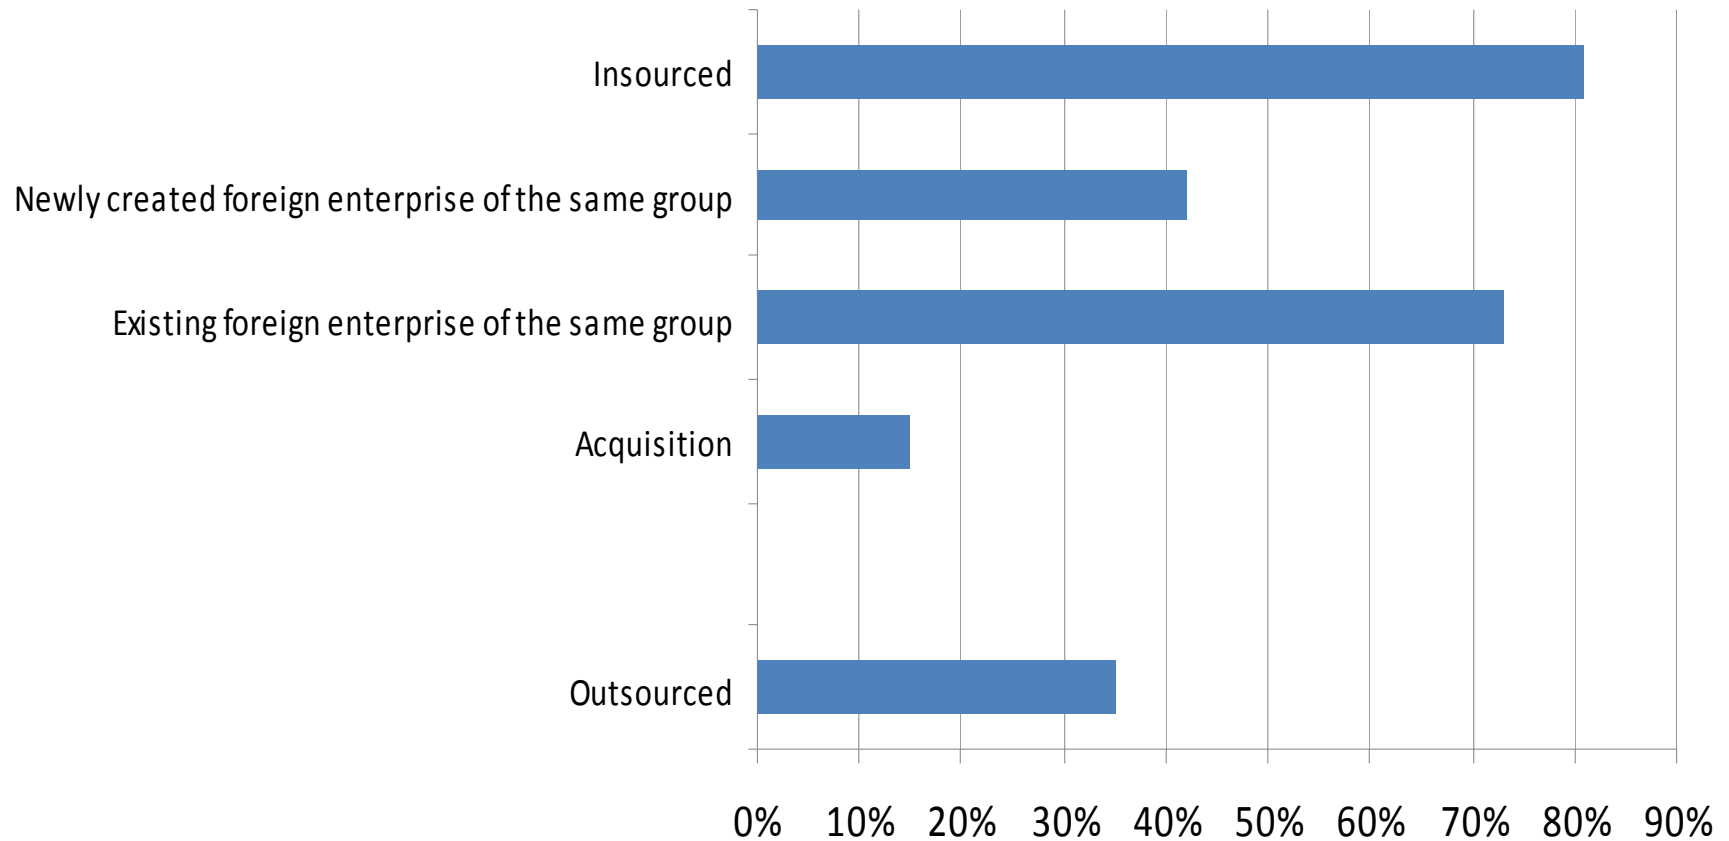

International sourcing of Irish IT sector business functions broken down by destinations.

International Sourcing by Irish IT Service enterprises broken down by relationship with business partner

International Sourcing survey

Key motivating factors

- Strategic decision by group head
- Reduction of labour costs

Key barriers to international sourcing (all IT service units)

- Legal / administrative
- Taxation

Impact

- Improved in-house know how
- Improved competitiveness
- Higher levels of measured labour productivity

Challenges facing NSIs

Measurement issues

- Coherence across different sources
- Transfer pricing
- Ancillary MNC activities
- Merchanting
- Commissionaire trading
- Relationship between MNC HQ and affiliate abroad

Dealing with the challenges

- Established large cases unit
- Maximise use of all sources of existing data
 - Traditional sources
 - Microdata linking
- Consider new sources of information
- Communicate effects of globalisation to users

Thank You
