About Tel Aviv

An aerial photograph of Tel Aviv, Israel, showing the coastline, the Mediterranean Sea, and the city skyline. The image is used as a background for the text overlays. The sky is blue with some clouds, and the water is a deep blue. The city buildings are a mix of modern high-rises and older, lower-rise structures. The beach is visible, with waves breaking on the shore. In the foreground, there is a large, light-colored building with a clock tower, surrounded by palm trees and other vegetation.
